Dear Competitor

Thank you for your entry. Please read these final instructions as they have the same force as the Supplementary Regulations.

**Covid-19**

Everyone is responsible for their own well-being, as well as that of others and should remember that it is paramount that should they have the virus, they must take necessary steps to prevent infecting others. Social distancing (maintaining a 2 metre gap) between themselves and others, together with regular hand washing and the use of PPE are the real only weapons we currently have. Anyone that has been in contact with someone either confirmed or suspected of suffering from Covid-19 in the previous 14 must not attend the event.

Please read to guidance from the Motorsport UK on their website.
